Information for new members

Geschrieben von Repa24 - 14.05.2015 18:24

Hello,

welcome to schwarzbierbude.de, a racing community known for fair-racing, mod-autoupdater, teamspeak, own servers and more!
To get better used to the website and the whole community, i wrote a PDF-Document for new users to read. Also, in future i'll support the english-speaking community.

Information sheet for new users.pdf (22.07.2015)
