

kartsim become's KartKraft

Posted by pSyTech - 2015/08/06 22:50

<http://kartkraftgame.com/>

Finally kartsim , now named Kart Kraft has a team that will start finishing the game.
they are present at gamescom with a motion-oculusrift simulator and for what i have read this shit gonna be next level.
one to look forward to

greetz
:woohoo: tech

Yeah! Finally the game will be continued.
I'm looking forward to this great game.:cheer:

Is that you?
Do you already played it?
If yes, talk a little bit!;)
