
location buden users

Posted by pSyTech - 2015/09/09 23:36

i get an error when trying to change my location @ the bude-users map
any ideas to overcome this?
greetz

huh, how comes ?
Did you drag and drop your pin?

cheers,
Uwe

yes
i set the pin somewhere else and try to save
then i get this error
i tried chrome and explorer
same thing

:kiss:

strange!

I've tried to move your pin a few meters and had no problem so far?!

cheers,
Uwe

strange
i just have to move location
and then click speichern?

i have this problem allready long time
since i also moved location 4 years ago
and got the same error back then

its nothing to brake ur skull over
im still near the same city
but i like to figure out why shit dont work
;)

how's about @Altbierbude or @Malzbierbude ?
It's ONE database, so it doesn't mind wich Bude you use...

cheers,
Uwe
