
Do not let run

Geschrieben von Franky Leone - 09.02.2017 09:58

Hi.:(
Yesterday I was expelled in the session of practice, to return to try to enter I put incorrect password, I do not understand.:S
I am new to asseto corsa, do not know that it takes something to run.
Greetings, I'm just looking for fun:)

Was it on the Event? In that case the server has been restarted with a new password. You can find all passwords for the SBB-Servers on the right side of the homepage.
