Hello guys. I am a big Nordschleife fan and a big Alfa Romeo GTAm fan as well. So i decide to take a look at the car/track combination in Assetto Corsa as i am a regular driver in Altbierbude.

And boy, it is something special. I totally loved the car/track combination and i decide to make a video to show it. I hope you will like it and i hope soon i will drive at Schwarzbierbude soon! :)

Cheers, Dimitar Dulichki
