Hi,
I'm not sure if is it here to post presentation.
My name Philippe, 60 years old
I'm french :blush:
I drive since 2012 on GPL (grand prix legends)
I have install assetto corsa, I like it !
I have also install GT legends.
it's difficult for me to master your site web,
it's diffucult also speaking english, but it's easy to find friends who are passionate about simracing....)
I hope you will explain to me how to join you, my level is beginner.
I continue driving at GPL on Sundays and Tuesdays, I would not be available on those days.

thank you in advance for your welcome and your help
:)
