1.1.5 update internal sound problem temp fix for non KUNOS car mods

Read this

<http://www.assettocorsa.net/forum/index.php?threads/1-1-5-update-internal-sound-problem.23223/>

or

<http://www.racedepartment.com/threads/ac-1-1-5-update-no-engine-sounds-for-modded-cars.104073/>

Rename your sfx dir(map)

Located

\Steam\steamapps\common\assettocorsa\content

Unzip the file you downloaded and drop in your content folder rename original first

Please note its just a temp fix :unsure:

## Aw: 1.1.5 update no engine sounds for modded cars

Geschrieben von Broekie - 15.04.2015 19:52

---

Laut einer der letzte Beiträge scheint diese Fix nur offline zu funktionieren und macht online Probleme...  
Vielleicht kann jemand der diese Fix schon gemacht hat, dies online kontrollieren.

In One of the Last posts someone pointed out that this fix Workshop Fine offline but doesn't work online. Maybe someone that dis the fix can Check this online.
