
windows 10 ??

Geschrieben von pSyTech - 10.12.2016 22:39

short question

who has experience with online-racing games and windows 10?

good choice or to early?

Aw: windows 10 ??

Geschrieben von pSyTech - 11.12.2016 23:48

thx!

=====

Aw: windows 10 ??

Geschrieben von Don Cold - 12.12.2016 16:25

I had to reinstalled the fanatec driver a few days later after changing from win7 to 10 and installed everything new. the driver is crashed in the setting menue.

but that not relevantly for online racing games.
